

Europass Curriculum Vitae

Personal information

First name(s) / Surname(s) Adrian-loan LIȚĂ

Address Bucharest / Romania

Telephone(s) N / A

E-mail(s) adrian.lita@ieee.org | Web: https://adrian.lita.me/

Nationality Romanian

Date of birth N/A

Gender Male

Dates 14 November 2017 → now

Occupation or position held Senior Applications Engineer

Main activities and responsibilities Develop apps with Microchip parts in Microchip's Mixed Signal and Linear Division.

coordinating a team of 3 which is responsible to build demo applications and customer support

on parts including ADCs, DACs, Digipots and general firmware.

building concept demos for workshops

getting new ideas out

Name and address of employer Microchip Technology Romania

4E, Vasile Milea Bvd, 3rd & 4th Floors, Bucharest (Romania)

Type of business or sector Engineering

Dates 24 February 2014 → now

Occupation or position held Research and Teaching Assistant

Main activities and responsibilities

Teaching:

1. Computer programming (C)

 Data structures and algorithms lab (C/C++) (linked lists, double linked lists, stacks, queues, binary search trees, AVL trees)

3. Object-oriented programming lab (C++)

 Medical Imagery Analysis and Processing (various size-wise alterations, contrast enhancements, histeq, edge detection, segmentation, etc)

5. Optimization technologies in programming

Name and address of employer POLITEHNICA University of Bucharest

1-3, Iuliu Maniu Bvd, Bucharest (Romania)

Type of business or sector Research, Academic

Dates December 2013 → now

Occupation or position held
Vice president of Vanguard Technology NGO

Page 1 / 6 - Curriculum vitae of LITA Adrian-Ioan

For more information on Europass go to http://europass.cedefop.europa.eu © European Union, 2002-2010 24082010

Main activities and responsibilities - member of the permanent council

- website maintenance

- various partnerships and collaboration

- research activity: board design, system architecture

Name and address of employer
Vanguard Technology NGO

Type of business or sector Volunteering, NGO, Engineering

Dates 16 November 2013 → 14 November 2017

Occupation or position held Senior Embedded Software Engineer

Main activities and responsibilities Embedded programming and schematic design of DC-DC and AC-DC switched mode power supplies.

Worked on projects such as wireless power, USB3.1 adapter, high density PFC, and topologies: Buck,

Boost, LLC, bridge-less PFC and Flyback.

Programming on STM32 (ARM) and dsPIC, in C and assembly.

Name and address of employer Rompower Energy Systems

36 Henri Coanda Street, Bucharest (Romania)

Type of business or sector Research and Engineering

Dates 1 March 2012 → 15 November 2013 in held MCU16 Applications Engineer

Main activities and responsibilities Motor Control: BLDC motors, ACIM motors, stepper motors, high speed BLDC motors.

Also developed: high speed isolated USB-UART communication circuit, low-power SMPS circuit using Microchip MCP16301 part, dual motor development board (signal board and part of power board),

various motor control PIMs, technical documentation, marketing analysis.

Between January 2013 and June 2013 I have voluntarily coordinated one student for his bachelor thesis, helping him with some of the electronic circuits implemented on the car, and discussing possible algorithm implementations (project: Autonomous Vehicle Command Algorithm).

Name and address of employer Microchip T

Occupation or position held

Microchip Technology Romania

4E, Vasile Milea Bvd, 3rd & 4th Floors, Bucharest (Romania)

Type of business or sector Engineering

Dates 23 September 2011 → 1 March 2012

Occupation or position held **HPMD Applications Intern Engineer**

Main activities and responsibilities Motor Control: BLDC motors, ACIM motors, stepper motors, high speed BLDC motors

Name and address of employer Microchip Technology Romania

4A Vasile Milea Bvd, 6th Floor, Bucharest (Romania)

Type of business or sector Engineering

Dates 15 July 2011 → 02 September 2011

Occupation or position held Collaborating Student, Researcher

Main activities and responsibilities Simulating, testing and upgrading of ESS (Evasive Steering Support) for BMW and Mercedes.

Name and address of employer Universität der Bundeswehr München, prof. Werner WOLF

D-85577 Neubiberg (Deutschland)

Type of business or sector Research

Dates 16 May 2011 → 7 July 2011

Occupation or position held Collaborating Student

Main activities and responsibilities Part of a team who had the task of implementing a proprietary speech recognition algorithm for

Romanian language on embedded Linux using ARM processor.

Name and address of employer POLITEHNICA University of Bucharest, prof. Corneliu BURILEANU

1-3 Iuliu Maniu Bvd, Bucharest (Romania)

Page 2 / 6 - Curriculum vitae of LITA Adrian-Ioan

For more information on Europass go to http://europass.cedefop.europa.eu © European Union, 2002-2010 24082010

Type of business or sector	Research			
Dates	01 January 2011 → 14 May 2011			
Occupation or position held	Tutor coordinator in MINERVA Project			
Main activities and responsibilities	- over 12 teams of 4-5 students in coordination - responsibility to teach and guide each team to design a microcontroller (PIC) project			
Name and address of employer	POLITEHNICA University of Bucharest, CETTI, prof. Paul SVASTA 1-3 Iuliu Maniu Bvd, Bucharest (Romania)			
Type of business or sector	Academic coordination and research			
Dates	05 July 2010 → 18 July 2010			
Occupation or position held	Collaborating Student			
Main activities and responsibilities	specialized practice for studentsimage acquisition and processingbuild RS-232 controllable toy car			
Name and address of employer	POLITEHNICA University of Bucharest, prof. Ovidiu GRIGORE 1-3 Iuliu Maniu Bvd, Bucharest (Romania)			
Type of business or sector	Research			
Dates	November 2009 → June 2010			
Occupation or position held	Vice president of Electronics Engineering Students' League (LSE.org.ro)			
Main activities and responsibilities	 project and human resources management maintaining a strong connection between LSE and faculty's executive board 			
Name and address of employer	Electronics Engineering Students' League 1-3 Iuliu Maniu Bvd, Bucharest (Romania)			
Type of business or sector	Volunteering, NGO			
Dates	October 2009 → October 2010			
Occupation or position held	Member of Faculty's Council			
Main activities and responsibilities	active participation in taking decisionsrepresenting students' interests			
Name and address of employer	Electronics, Telecommunications and Information Technology Faculty 1-3 Iuliu Maniu Bvd, Bucharest (Romania)			
Type of business or sector	Academic			
Dates	October 2009 → October 2010			
Occupation or position held	Member of POLITEHNICA University of Bucharest Senate			
Main activities and responsibilities	- representing students' interests			
Name and address of employer	POLITEHNICA University of Bucharest 313 Splaiul Independentei, 060042 Bucharest (Romania)			
Type of business or sector	Academic			
Dates	31 August 2009 → 11 September 2009			
Occupation or position held	Collaborating Student			
Main activities and responsibilities	 specialized practice for students research in embedded technology and embedded programming (embedded Linux) 			
Name and address of employer	University of Pitesti Pitesti (Romania)			
Type of business or sector	Research			
Dates	06 July 2009 → 13 July 2009			
Occupation or position held	Collaborating Student			
Page 3 / 6 - Curriculum vitae of	For more information on Europass go to http://europass.cedefop.europa.eu			
LITA Adrian-Ioan	© European Union, 2002-2010 24082010			

Main activities and responsibilities - specialized practice for students

- data acquisition and data processing of medical and bio signals

Name and address of employer POLITEHNICA University of Bucharest, prof. Mihaela UNGUREANU

1-3 Iuliu Maniu Bvd, Bucharest (Romania)

Type of business or sector Research

Dates 01 March 2009 → 01 June 2009

Occupation or position held Collaborating Student

Main activities and responsibilities - research regarding electrical solder joints (both electrical and mechanical functions of soldering)

Name and address of employer CETTI, POLITEHNICA University of Bucharest, prof. Paul SVASTA

1-3 Iuliu Maniu Bvd, Bucharest (Romania)

Type of business or sector Research

Education and training

Dates October 2014 → now

Title of qualification awarded PhD, Automated Control Systems

Principal subjects / occupational skills Main studies include: control loops, magnetoresistive circuits, machine learning, fuzzy logic

Name and type of organisation providing education and training POLITEHNICA University of Bucharest (Romania) 1-3 Iuliu Maniu Bvd, Bucharest (Romania)

Dates October 2012 → now

Title of qualification awarded Master, International Affairs

covered

Principal subjects / occupational skills Main studies include: International Affairs Management, Business Communication, Marketing,

International business environment, Ethics, Negotiation, Foreign markets, Fundraising in international

business context, Operations on foreign capital markets, etc

Master thesis:

Name and type of organisation
Bucharest Academy of Economical Studies

providing education and training 6 Piata Romana, Bucharest (Romania)

Dates October 2012 → July 2014

Title of qualification awarded Master of Science in Advanced Integrated Technologies in Automotive Engineering

Principal subjects / occupational skills Main studies include: CAD (Thermal and Electrical simulation, PCB design), Automotive Electronics,

covered Optoelectronics, Automotive Chemistry

Master thesis: Four temperature zones efficient climate control automotive system - HVAC

Name and type of organisation providing education and training POLITEHNICA University of Bucharest (Romania)

Dates 27 October 2009 → 07 December 2009

Title of qualification awarded Leadership

Name and type of organisation providing education and training Bucharest (Romania)

Leaders' Foundation Romania, Ascendis Romania

Bucharest (Romania)

Dates 31 August 2009 → 06 September 2009

Title of qualification awarded **Communication**

Principal subjects / occupational skills - human-to-human communication

covered - best expressing emotions

team-building

Name and type of organisation providing education and training Ministry of Youth and Sports, Ministry of Education, Research and Innovation, and Ministry of Labour

Page 4 / 6 - Curriculum vitae of LITA Adrian-Ioan © European Union, 2002-2010 24082010

Dates October 2008 → July 2012

Title of qualification awarded Bachelor of Science in Electronics Engineering: Applied Electronics (10 out of 10)

Main studies include: Algebra, Electronic Measurements, Object-Oriented Programming, Data Principal subjects / occupational skills covered

Structures and Algorithms, Data Acquisition, Television, Telecommunications, Integrated Circuits, FPGA Programming, etc. Secondary studies include Communication and Macroeconomics.

Bachelor thesis: 3-dimensional multiprocessor flight system with 6 vertical propellers

Name and type of organisation providing education and training

POLITEHNICA University of Bucharest

1-3 Iuliu Maniu Bvd, Bucharest (Romania)

Dates September 2004 → July 2008

Title of qualification awarded Romanian Baccalaureate: 9.77 out of 10 (Advanced Mathematics: 98%; Informatics: 99%; English

Language Oral: 100%; Romanian Language Oral: 100%; Romanian Language: 89%; Sports: 100%)

Mathematics, Physics, Computing, Logic, Chemistry, Biology, Romanian, English, French, Economy, Principal subjects / occupational skills Psychology, Philosophy, History, Geography, Music, Drawing, Religion, Management

Name and type of organisation "Zinca Golescu" National College (Theoretical College)

providing education and training Pitesti (Romania)

covered

Dates $2002 \rightarrow 2004$

Title of qualification awarded Cisco Certified Network Associate (CCNA)

Principal subjects / occupational skills Networking, TCP/IP, UDP, ISDN, Frame Relay, BGP, OSPF, EIGRP, wireless networks

Name and type of organisation University of Pitesti, CISCO providing education and training Pitesti (Romania)

Personal skills and competences

Mother tongue(s) Romanian

Other language(s)

Self-assessment	Understan	ıding	Speaking		Writing
European level (*)	Listening	Reading	Spoken interaction	Spoken production	
English	C1 Proficient user C1	Proficient user	C1 Proficient user	C1 Proficient user	C1 Proficient user
German	B1 Independent user B1	Independent user	B1 Independent user	B1 Independent user	B1 Independent user
French	B1 Independent user A2	Basic user	A2 Basic User	A2 Basic User	A2 Basic user

(*) Common European Framework of Reference (CEF) level

Social skills and competences

- Team spirit gained during lots of camps, team-buildings, and from participating in several NGOs activities and projects;
- Very good communication and emotions perception skills; NLP basics;
- Good ability to adapt to multicultural environments achieved by a very communicative and openminded attitude;
- Very cheerful person with a realistic/optimistic vision
- In my second year as a student, I have been the main tutor of the younger (first year) students (about 500 students)
- In my third year as a student, I have lead 12 teams of 4-5 students each in understanding microcontrollers' basic functions and passive components purpose (Minerva Project)
- I've been teaching programming to more than 800 students when worked as a teaching assistant for Politehnica University of Bucharest

Organisational skills and competences

- 3 years of volunteering in the Electronics Engineering Students' League, with 2 years being in the

management committee (1 year vice president, and 1 year member of the council)

- leadership training
- experience in managing teams
- very good experience in team or project coordination and management, being coordinator/manager in many projects done while being a student

Technical skills and competences

- C developer guru
- Linux / ARM / dsPIC / PIC32
- operating systems
- developing prototypes (hand built)
- Devops: Git and SVN

Computer skills and competences

- very experienced in: C, Assembly, Altium, KiCad, MATLAB (scripting and SimuLink)
- experienced in: C#, Python, PHP, MySQL

Other skills and competences

Hobbies: music, electronic projects, car and airplane models

Sports: kitesurfing, ski, bike, tennis

Driving licence(s)

B (>10 years)
